CHAPTER
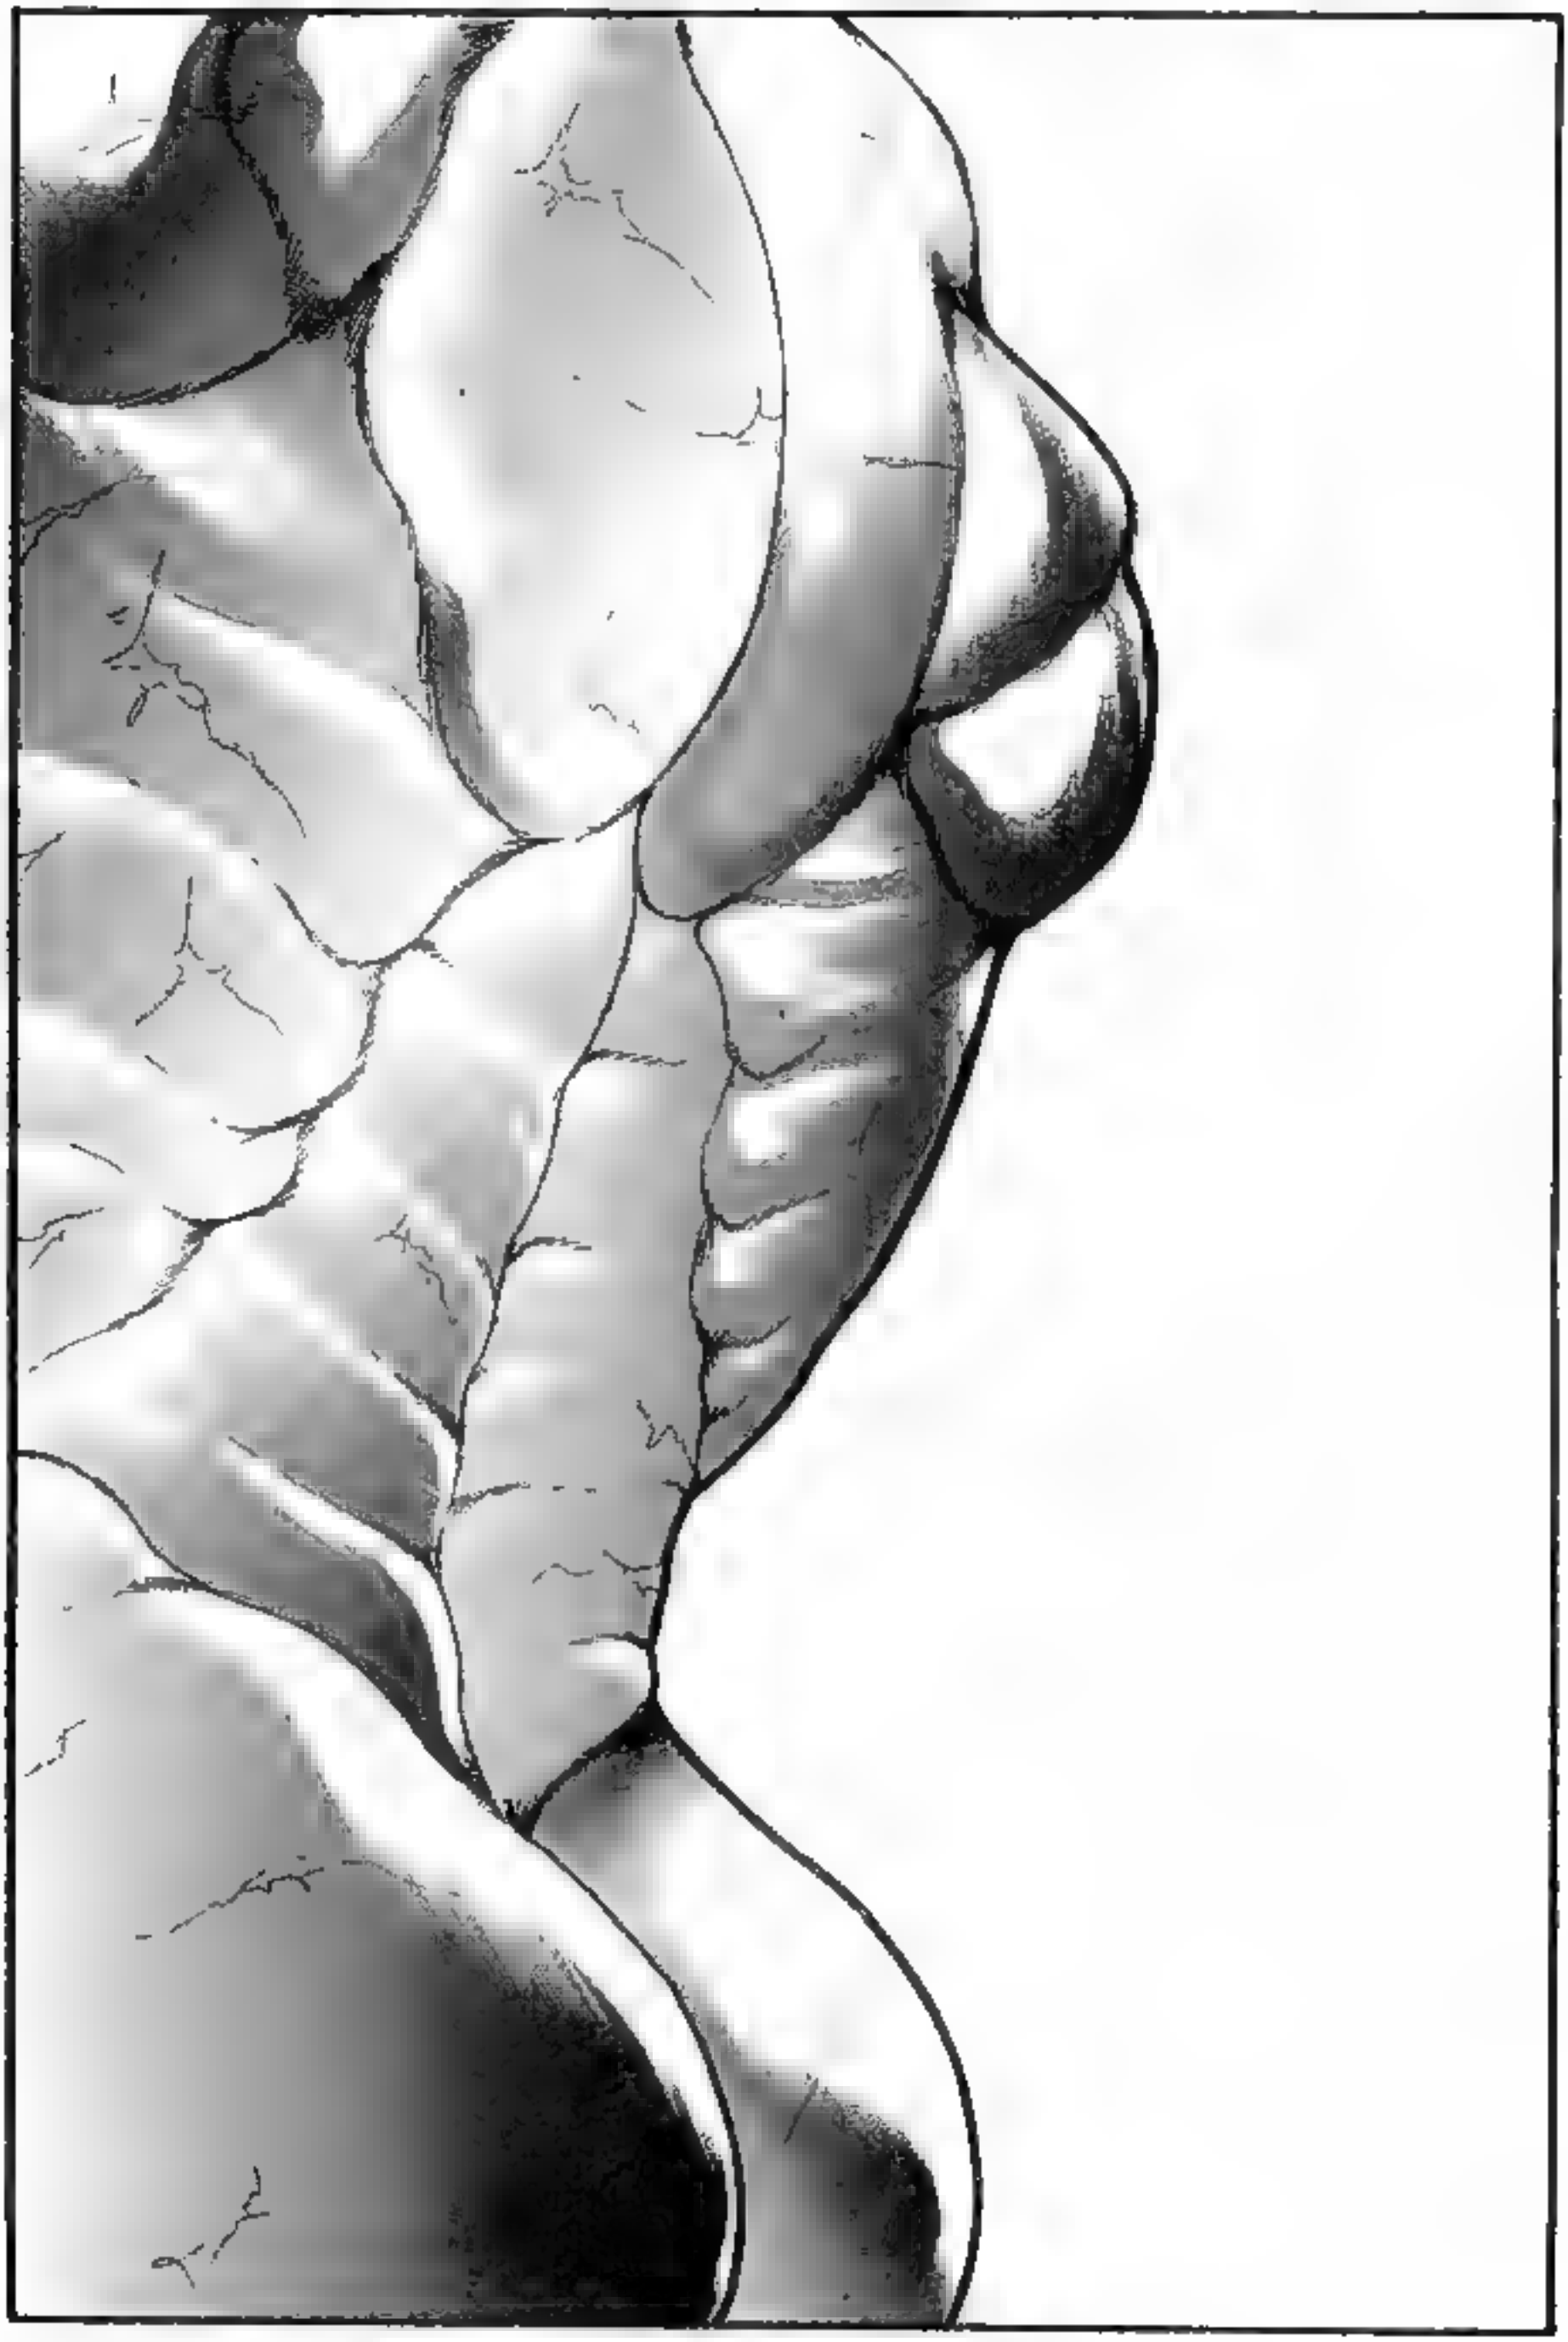
第22話 THE RULES



I HAD A TOURNAMENT OF 38 FIGHTERS

BEFORE

おそらく現時点での格闘技内容レベルでは IN MY ESTIMATION AS FAR AS LEVEL GOES 最新の THE GREATEST TOURNAMENT EVER! トーナメントは

IT WAS BY FAR THE BEST OF THE BEST IT WILL LIVE ON IN HISTORY AS

も

YOUNG BAKI HERE

THE WINNER OF THE TOURNAMENT WAS

AND IT MAKE ME VERY UNEASY

HOWEVER I DON'T KNOW HOW MUCH VALUE THE FIVE OF YOU PLACE ON SUCH A TOURNAMENT

MR SILCOSKI

YOU STATED THAT "MATCHES" ARE NOTHING MORE THEN PRACTICE FOR THE REAL THING

EARLIER

YOU SAID THAT RIGHT?

ARE NOT THE ONES THAT CAME IN THE TOP FIVE

THE FIVE COMPETITORS THAT I'VE BROUGHT HERE

MR SILCOSKI'S "REAL THING"

NOT PRACTICE BUT COMBAT

THIS IS THE CHARACTERISTIC OF THIS KIND OF COMBAT

IT'S IMPOSSIBLE TO SAY WHEN OR WHERE IN EVERYDAY LIFE IT WILL OCCUR.

THIS IS WHY YOU FIVE WERE CHOSEN

YOU ALL ARE LOOKING FOR YOUR OWN DEFEAT

FROM WHAT I UNDERSTAND

ANY OF THESE FIVE

この5名なら

HAVE THE POWER TO GIVE YOU WHAT YOU DESIRE

望むものを与える力を持つだろう

WHAT DO YOU THINK?

WHAT THE HELL DO YOU MEAN?

UM. .

WHAT ABOUT RIGHT NOW?

BUT WHEN ARE WE GONNA FUCKIN FIGHT? APPROXIMATELY

YOU WERE TALKING ABOUT "COMBAT" AND "EVERYDAY LIFE" BUT

NOT IN A RING. IN "EVERY DAY LIFE"

...LIKE IN THE KITCHEN WHERE THERE'S BOILING WATER

WHENEVER'S GOOD EVEN RIGHT NOW.

WHEN?

ﾋﾟｰﾝ

FOR THAT

WELL I'D LIKE TO USE MR MITSUYO MAEDA'S WAY OF DOING IT.

FOR INSTANCE IF THE COMBATANTS BOTH ARRIVED AT THE SAME TIME AT SHINJUKU STATION

両者が同じ場所を指定した場合

DOESN'T MATTER IF THEY'RE EATING

食事するのも

DOESN'T MATTER IF THEY'VE BEEN DRINKING

のも

服装は普段のものを着用し

ごく普通に

新宿界隈を散策する

THEY SHOULD ARRIVE IN THEIR NORMAL ATTIRE

LIKE: EVERY DAY LIFE IN SHINJUKU

出会うべき二人が
THE TWO THAT
SHOULD
MEET
NATURALLY
2人は自然に
SETTLE IT
NATURALLY
自然に決着と
しぜん　けっちゃく

BUT WILL WE MEET NATURALLY?

FOR AS LONG AS IT TAKES

FROM TOMORROW ANYONE WHO HAPPENS TO COME ACROSS EACH OTHER

WHO CARES ABOUT THE FUCKIN RULES

これは柔道家前田光世が他流試合に臨む際に現地の人と取り決めた"ルール"である

THESE ARE THE RULES JUDOKA MITSUYO MAEDA MADE UP WHEN COMPETING IN OTHER STYLES OF "BOUTS"

CAN GO AFTER ANY OF THOSE FIVE

ANY OF US FIVE

WHATEVER GOES

WHEREVER

もちろん その逆も可

OF COURSE THE OPPOSITE IS OKAY

IN THE MIDDLE OF SEX

IN THE MIDDLE OF SLEEP

IN THE MIDDLE OF A MEAL

IT'S ON!

FROM TODAY

NO COMPLAINTS

それが実戦(じっせん)だろ!!!

THAT'S COMBAT!!!

[刃牙] The Baki Journal

By Ichido Reichan

Man, it has been a while since I didn't write stuff here, but as everyone of you want to know, where is all this project going? Why are we taking so long? Not that we have a deadline or something but it is good to know when to expect something that you enjoy reading, or watching or playing, in this case our favorite series.

Besides "Temporal" releasing the raws of Baki and Hanma Baki Son of Ogre, and saving me the painstaking effort to unbind and scan my whole Manga collection and the people to keep releasing the licensed collection of the anime series, we have been very short of help, the translator, like everyone else, has a life and suddenly there are more important things that translate for very low, almost nothing, comic series for a bunch of people that will enjoy all this in silence and keep going like this were sent from heaven.

What you will read here is the efforts of me bothering a bunch of people, I spent some money on it and I went ahead making some friends in the way expecting that this series will take off in a crazy success, "success" meaning that we will have tons of collaborators and in between all of us, we will finish the series in a glorious way in a minimal time line, believe me, I want to see this series done as fast as possible as much as you, and we really try but without help, there is little I can do .

"Success" That has not been the case on Baki, I tried to contact more groups for a joint effort, tried to find translators willing to be paid 5 bucks per book, and my ex wife was the web master (so thats why we don't have an updated homepage and forum like everyone else.)

I really wanted that a group come forward and start competing with me doing Baki like they do with Gantz, Berserk and Hajime No Ippo but I guess we are the only choice for Baki.

But guess what, Baki is being published in France, Korea and China, so we may end up having more options than just sitting down and emailing the group asking what happened with this week chapter.
We went to release two chapters a week to release one chapter every two weeks, that is all the help that we could provide, if you can think in something better, it will be great for all of us.

Baki will not be promised until we find the help we need, there has been some kind fans offering money donations that I been refusing until we find more translators and Spider Rob has finished his run of translations and sincerely I don't want to pressure him on the time.

In the good news, an amazing collaborator translated and edited for us many chapters of book 4 and you will see his amazing work in the following weeks.

For the last, due to many questions and emails asking me this: my group doesn't own the raws of the first series and we don't provide the raws for the new series, also, we will not start "Hanma Baki son of Ogre" until we finish "Baki SOTH" first, if somebody decides to work on it and you read it, you will spoil a Major part of the story and there is stuff you will not understand, Son of ogre is the direct sequel of Soth and many of the stories there are linked.

So if you have knowledge of French (or if you live in france or have friends that read Manga and live in france) we need your help to keep this series going. Until then, we will keep doing our best effort in continue this Manga, No point on throwing the towel yet, but we need the help, see ya later.
